- 2) NEPOOL GIS Updates
  - a) Previous Usability Group Meeting Requests
    - i) These items were approved by MC Meeting. APX team finalizing estimates for NEPOOL and will go through the steps to get it approved. Once approved, work will be prioritized.
      - (1) Bill Short – New MA CPECs Public Report
      - (2) Stephen Lapointe – API for GIS Meter Data Reporting
      - (3) Bill Short – Show Password to display on all screens where password entry is required
  
- 3) Usability Group Requests Review
  - a) New Requests
    - i) Alex Weidensee –Batch Upload for CPS Resources
      - (1) Request: Request for Bulk upload or API option for bulk uploading CPS Resources.
      - (2) Review: Reviewed with the team and the best approach is to add functionality to the CPS Resources registration screen to allow users to bulk upload CPS Resources. Details TBD.
    - ii) Tom Mackenty – API Password Reset Reminder

- (1) Request: SRECTrade proposes to move the API password change requirements to a fixed schedule, or have the system send users automated reminders 5 days prior to password expiration.
- (2) Next Steps: Reviewed with the product team and the best approach is to have some email trigger to remind API users to update passwords. Details TBD.

4) NEPOOL GIS Hours Used Year to Date

- a) Used: 0
- b) Remaining: 500

5) General Comments and Questions

6) Next Steps

- a) APX team finalizing estimates for previous Usability Group Meeting Requests and will share it with Sam and Day Pitney team and go through the next steps.
- b) APX team will send an email to the Usability Group with the new requests and if there are no issues, will send it to Sam and Day Pitney team to go through the next steps.
